

# **THE ART OF SERVICE**

## **HOW TO TRANSFORM OUR ACTION IN SPIRITUAL UNFOLDMENT**

**SPIRITUAL RETREAT IN FRANCE**  
**with**  
**PUJYA SWAMI CHIDATMANANDA**

**Co-organized by TERRE DU CIEL and CHINMAYA MISSION FRANCE**

**From Sunday 27th august (evening) to Saturday 2<sup>nd</sup> September 2006 (after lunch).**

*How to reconcile action and spirituality in the modern world ? How to discover a meaning in our daily action ? How to live in harmony with this world ? The teaching of Bhagavad Gîtâ reveals the secret of this harmony : our action, whatever the field may be – office, family, or any other context – accomplished in a certain way, in the attitude of offering and service, takes a new dimension and higher meaning, elevates, unfolds us, leads us to a real accomplishment. During the camp, Swamiji will teach this “Art of Service” through the study of very famous verses of Bhagavad Gîtâ, chap. 2.*

### **VENUE**

The camp will be held in a campsite, “**Le Domaine de Chardenoux**”, located in a very beautiful part of France, called « Bourgogne ».

The campsite includes a small castle and several appendages surrounded by a vast park (20 ha), with woods, fields and a pond. The place is very quiet and conducive to contemplation. The place is a spiritual center, opened to different spiritual traditions, particularly to Indian tradition : there is a small Ganesh temple in the park, with daily pûjâ.
